There's a line that you cross
When you've lost someone and you can't accept it
Oh no, oh, oh
There's a space in between a denial
Knowing that I can't erase it
Can't face it, no

You never be the one
Who is gonna find themselves alone, no
You never be the one
To beg excuse of what you've done, no

You're a heartbreaker, breaker
Tell me now
Why the hell you gotta be a heartbreaker, breaker?
Leave me now
Why the hell you gotta be a heartbreaker?

All the walls come down in the end
And nothing ever last forever, oh, no, hey
There's a line up ahead
I know I give it
Each day can only make me stronger
Make me stronger, yeah

You never be the one
Who is gonna find themselves alone, no
You never be the one
To beg excuse of what you've done, no

You're a heartbreaker, breaker

Tell me now
Why the hell you gotta be a heartbreaker, breaker?
Leave me now
Why the hell you gotta be a heartbreaker?
Breaker, breaker, breaker, breaker

Whatever it is, whatever it was
I know you've done this before
I say whatever it is, whatever it was
I just gotta let it go

You're a heartbreaker, breaker
Tell me now
Why the hell you gotta be a heartbreaker, breaker?
Leave me now
Now, now, now, now, now, now

Tell me, tell me
What you are gonna break my heart
Tell me, tell me
What you are gonna break my heart

You're a heartbreaker, breaker
Tell me now
What you are gonna break my heart
Why the hell you gotta be a heartbreaker, breaker?
Leave me now
What you are gonna break my heart
Why the hell you gotta be a heartbreaker?

Breaker, breaker
Breaker, breaker
Breaker, breaker
Breaker
