Let me be your hero

Would you dance if I asked you to dance?
Would you run and never look back?
Would you cry if you saw me crying?
And would you save my soul, tonight?

Would you tremble if I touched your lips?
Would you laugh? Oh please tell me this
Now would you die for the one you love?
Hold me in your arms, tonight

I can be your hero, baby
I can kiss away the pain
I will stand by you forever
You can take my breath away

Would you swear that you'll always be mine?
Or would you lie? Would you run and hide?
Am I in too deep? Have I lost my mind?
I don't care, you're here, tonight

I can be your hero, baby
I can kiss away the pain
I will stand by you forever
You can take my breath away

Oh, I just wanted to hold you
I just wanted to hold you, oh yeah
Am I in too deep? Have I lost my mind?
Well I don't care, you're here, tonight

I can be your hero, baby
I can kiss away the pain oh yeah
I will stand by you forever
You can take my breath away

I can be your hero, baby
I can kiss away the pain
And I will stand by you, forever
You can take my breath away
You can take my breath away

I can be your hero
