You make me strong, you make me weak
You lift me off my feet
You give me hope when all my dreams
Seem like they're out of reach

You make me understand
The way the perfect love should be
You take me to a place so high
I never wanna leave

'Cause sometimes I think of all the things
I should have said
And I hope it's not too late
I wanna make you understand, oh yeah

If the world crashes down over me
Well, I know that my life is complete
'Cause I've held you in my arms all night
'Cause I can't imagine life without you by my side

You whisper in my ear the words
"Just hold me close tonight, hold me tonight"

And when the pain is holding me
Your touch just sets me free

'Cause sometimes I think of all the things
I should have said
(Well, no no no dear)
And I hope it's not too late
I wanna make you understand, oh yeah

If the world crashes down over me
(Over me)
Well, I know that my life is complete
'Cause I've held you in my arms all night
'Cause I can't imagine life without you by my side

If the world crashes down over me
(Over me)
Well, I know that my life is complete
(Is complete)

'Cause I've held you in my arms all night
'Cause I can't imagine life without you by my side
