Little girl kisses her mom
Tells her I love you
Holds on to her neck

Little girl doesn't have much
She walks with a smile
She's so full of life

But she cries in the night
Just to try to hold on
No one can hear her
She's all alone

This little girl closes her eyes
All that she wants
Is someone to love
Someone to love

Little girl
She's all grown up
Oh she's getting fevers
She's a big star

Oh little girl

Fights with her mom
Can't believe money
Changed who she loved

And she cries in the night
Just to try to hold on
But no one can hear her
She's all alone

This little girl closes her eyes
All that she wants
Is someone to love
Someone to love
She cries in the night
Just to try to hold on
No one can hear her
She's all alone

This little girl closes her eyes
All that she wants
Is someone to love (someone)
Someone to love (someone)
To love (someone)
Someone [fade out]
