Na na na na na na na na na na na
Na na na na na na na na na

We're strong, we're weak, we die
We're straight, we're gay, we're bi
We're black, we're white, but why?
(Na na na na na na na na na)
To tell, the truth, we lie
We get so trapped inside our little lives
We disappear before our very eyes

So come on live it up tonight
Live it up tonight, move on
It's time we give it up tonight
An' live it up tonight, from now on

We loved, an lost, we tried
(We loved, an lost)
Did I say, I'm fine 'cause I died
(I'm fine)
I'm so sick, and tired, of cryin'
(Sick, and tired)
(Na na na na na na na na na)
So tonight, it's time, we just fly
Somehow we got so caught up in the deal
(We got, caught up)
We lost the love, only thing we had that's real
(Lost, only thing)

So come on live it up tonight
Live it up tonight, move on
It's time we give it up tonight

An' live it up tonight, from now on

(Na na na na na na na na na na na na na na)
(Na na na na na na na na na na na na na na)
'Cause we can heal
(Na na na na na na na na na na na na na na)
Make it real
(Na na na na na na na na na na na na na na)
Can't you feel it ?

Although it hurts so bad
To say goodbye
I know my love for you
Is still alive

So come on live it up tonight
Live it up tonight, move on
(Move on, move on, move on)
It's time we give it up tonight
And live it up tonight, from now
(Ooh)

So come on live it up tonight
Live it up tonight, move on
(Live it up, live it up, live it up)
It's time we give it up tonight
And live it up tonight, from now
(Ooh)

So come on live it up tonight
Live it up tonight, move on
(Move on, move on, move on)
It's time we give it up tonight
And live it up tonight, from now on
(Hey)

So come on live it up tonight
Live it up tonight, move on
