we're strong.
we're weak.
we die.
we're straight
we're gay.
we're bi
we're black
we're white.
but why
to tell the truth
we lie
we get so trapped inside
our little lives
we disappear before our very eyes
Chorus: so come on live it up tonite
live it up tonight.move on.
its time we give it up tonite
and live it up tonite. from now on.

we love. and lost.
we tried did i say
i'm fine cause i died
i'm so sick and tired
of crying so tonite
its time. we just fly
somehow we got. so caught up in deal
we lost the only thing. we had thats real
Chorus
cause we can heal make it real.
can't u feel it? although it hurts so bad.
to say good bye. i know my love for u
is still alive.
chorus 4x's
