I could never miss your love
As warm as a Miami day
I could never get enough
Wetter than an ocean wave

Now one is the key, two is the door
Three is the path that will lead us to four
Five is the time you kidnap my mind
Into ecstasy

I'm lost inside your love
Believe me
And if I don't come up
Then leave me
Inside your love forever

Lost inside your love
When the two of us are one
There's no place I'd rather be, oh no
I'm disappearing in your love
Wilder than my wildest dreams, oh yeah

Now one is the key, two is the door
Three is the path that will lead us to four
Five is the time you kidnap my mind
Into ecstasy

I'm lost inside your love
Believe me
And if I don't come up
Then leave me
Inside your love forever
Lost inside your love

Over and over, you know what I need
..
I see over and over you keep taking me
A little bit too far
A little bit too deep

Lost inside your love

Believe me
And if I don't come up
Then leave me
Inside your love forever
Lost inside your love
I'm lost inside your love
Believe me
And if I don't come up
Then leave me
Inside your love forever
Lost inside your love

Lost inside your love
