love to see u cry  
Enrique Iglesias  
(Escape)

(Come on. Let me tell you)

Maybe I just wanna touch you for your warm inside  
again  
Maybe I just wanna let you the sweetest pleasure is me  
I don't know why why but I love to see you cry  
I don't know why why it just makes me feel like

Are you coming to the moment  
When you know your heart can break  
I'm inside you  
I'm around you  
Just wanna hear you cry again  
I don't know why why but I love to see you cry  
I don't know why why it just makes me feel like  
I don't know why why but I love to see you cry  
I don't know why why but it just makes me feel like

You don't know how much it hurts when you fall asleep  
in my arms  
before the morning comes  
I wanna run away, I wanna run away  
I don't know why  
I don't know why  
I don't know why  
I don't know why why but I love to see you cry  
I don't know why why it just makes me feel like  
I don't know why why but I love to see you cry  
I don't know why why but it just makes me feel like
