If I had one single wish
I'd go back to the moment I kissed
You goodbye no matter how hard I tried
But I can't live without you in my life

Maybe you'll say you still want me
Maybe you'll say that you don't
Maybe we said it was over
Baby I can't let you go

I walk around, try to understand
Where we went wrong and I can't pretend
It wasn't me, it wasn't you
But I'm convinced, we gave up too soon

Maybe you'll say you still want me
Maybe you'll say that you don't

Maybe we said it was over
Baby I can't let you go

Nothing left to lose after losing you
There's nothing I can't take
And when I run to you, when I come for you
Tell me I'm too late

Maybe you'll say you still want me
Maybe you'll say that you don't
Maybe we said it was over
Baby I can't let you go

No, no, no can't let you go
No can't let you go
No can't let you go
No can't let you go
