Yeah, miss you

Tonight I feel so cold and lonely
And baby you're so far away
The space between us keeps on growing
How I wish that you could hear me when I'd say

No, no, no, no, no, no, no
Wish you could hear me saying
No, no, no, no, no, no, no

Oh, I miss you, oh, I miss you
Oh, baby, since you walked away
Oh, I miss you, oh, I miss you
I miss you more and more each day

Now, tell me do you think about me?
?Coz I think about you all the time, yeah
A million miles just stand between us
But I don't wanna stop until you're mine

No, no, no, no, no, no, no
Wish you could hear me saying

No, no, no, no, no, no, no

Oh, I miss you, oh, I miss you
Oh, baby, since you walked away
Oh, I miss you, oh, I miss you
I miss you more and more each day

Oh, I miss you, oh, I miss you
Oh, baby, since you walked away
Oh, I miss you, oh, I miss you
I miss you more and more each day

Oh, I miss you, oh, I miss you
Oh, baby, since you walked away
Oh, I miss you, oh, I miss you
I miss you more and more each day

I miss you more and more each day
I miss you more and more each day
I miss you more and more each day
