You got a girl that doesn't look a thing like me
The girl your mother always said it would be
So, you could say that
You could say that I'm hopeless

But that ain't the girl, that ain't the girl I want you to be
The girl that kissed me oh and I see in my dreams
So, you could say that
You could say that I love her
Oh oh oh

So I don't care what they say
It's our life life life
We can dance if we want make it feel alright
Temperature's rising, I feel the fire
Tonight it's just me and you

Tell me baby will you be here when I wake up
Even with no make-up
I don't wanna fake it, fake it

And you don't gotta doubt a second if I miss you
Every time I'm with you
I feel naked

Hey
I feel naked
You know I want it
So let me get it
You say you got it
What you gon' do with it
Oh oh oh

If I told you girl come and run away with me
Now would you throw it all away for me
I need to know that, need to know that
It's not over

'Cause you were the boy daddy told to stay away from
me
But you're nothing but a fantasy
I need to know that, need to know that

You'd be strong enough to believe in us

'Cause I don't care what they say
It's our life life life
We can dance if we want make it feel alright
Temperature's rising, I feel the fire
Tonight it's just me and you

Tell me baby will you be here when I wake up
Even with no make-up
I don't wanna fake it, fake it

And you don't gotta doubt a second if I miss you
Every time I'm with you
I feel naked

Hey
I feel naked
You know I want it
So let me get it
You say you got it
What you gon' do with it
Oh oh oh

I don't care what they say
It's our life life
We can dance if we want make it feel alright
Temperature's rising, I feel the fire
Tonight it's just me and you
(Tonight it's just me and you)
Tonight it's just me and you

So tell me baby will you be here when I wake up

I feel naked
I feel naked
You know I want it
So let me get it
You say you got it
(It's the cataracs)

I feel naked
You know I want it
So let me get it
You say you got it
What you gon' do with it

Tonight it's just me and you
Oh oh oh
