Baby you've been given feeling to me all night  
And I can't leave unless you're leaving with me  
tonight  
Now it's not difficult to tell oh baby you're selecting  
And I think you're selecting me  
To lead you - baby can't you see?

I wanna leave with you gotta take you home  
I can see it inside my head (ooh)  
That if I leave with you and I get you home  
Baby you're gone love what I do when I'm on top of  
you  
when I'm on top of you

There's no need for us to see the future tonight  
I just wanna live inside this moment all night  
No it's not difficult to tell baby I'm attracted  
That's the way you make me feel

I wanna lead you - baby can't you see  
I wanna leave with you gotta take you home  
I can see it inside my head (ooh)

That if I leave with you and I get you home  
Baby you're gone love what I do when I'm on top of  
you  
when I'm on top of you

Something I can't define  
But your eyes tell the story  
When my love fills you up  
You'll never come down, no you'll never come down

I wanna leave with you gotta take you home  
I can see it inside my head (ooh)  
That if I leave with you and I get you home  
Baby you're gone love what I do  
I wanna leave with you gotta take you home  
I can see it inside my head (ooh)  
That if I leave with you and I get you home  
Baby you're gone love what I do when I'm on top of  
you

Baby youÂ're gonne love what I do when IÂ'm on top of  
you
