"One Day At A Time"

(feat. Akon)

Akon...Enrique...

One day at a time..yeah

One day at a time...

I saw you in the club
You were dancing with somebody
So close so tight
You were killing me so slowly
My boyfriends were calling me what you're doing
You're driving me so crazy
Tryna live my life
It's been 6 months since you left me..

So why o why o why
Still thinking about you baby
I try I try
But I guess I gotta take it.

One day at a time
I gotta let you go
One day at a time
It seems so impossible
One day at a time
I gotta let you go
And I know
Yes I know
I gotta take it
One day at a time.

One day, one day, one day
One day at a time
One day, one day, one day
One day at a time..

I'm not the girlies type
But you stole my heart baby
Dancing with that guy

Make it so hard for me to watch babe

I just spending around in a circle

I'm going through it in my mind baby
I just suck up the tears
But I'm not sure to stop from cryin out loud baby

O why o why
Still thinking about you baby
I try I try
Can't stop thinking about you baby
O why o why
I keep thinking about you baby
I try I try
But I guess I gotta take it.

First thing I gotta do is try to face it
But your voice keeps ringing in my ear
Just makes me crazy trying to fake it
The truth hurts so bad not what I wanna hear
But I guess I gotta take it

One day at a time
I gotta let you go
One day at a time
It seems so impossible
One day at a time
I gotta let you go
And I know
Yes I know
I gotta take it
One day at a time.
One day at a time
I gotta let you go

One day at a time
It seems so impossible
One day at a time
I gotta let you go
And I know
Yes I know
I gotta take it
One day at a time.
One day at a time
I gotta let you go

One day at a time
It seems so impossible
One day at a time

I gotta let you go
And I know
Yes I know
I gotta take it
One day at a time.
