If you're feelin' like you want it, baby  
Give you somethin' we can both go crazy  
I get the feelin' when I look at you  
There is nothin' that you wouldn't do

You're the kinda girl I dream about  
Electric eyes and a big mouth  
Turn me on, I'll turn you inside out  
By the end of the night I'll be with you

Ay, there's no hurry, baby, take your time  
Ay, I'm not giving up until you're mine

Oyeme, touch you here  
I'll touch you there  
Oyeme, I want to touch you everywhere  
Oyeme, let's just take it all the way  
Oyeme, oyeme

In the quiet of a darkened room  
Under the influence of your perfume  
There is nothin' that I wouldn't do  
Let me keep you up all through the night

Ay, there's somethin' in your eyes, I can't describe  
Ay, I'm not given until you're mine

Oyeme, touch you here  
I'll touch you there  
Oyeme  
I want to touch you everywhere  
Oyeme  
You're so beautiful I swear

Oyeme, oyeme  
Oyeme, listen to the words I say  
Oyeme, let's just take it all the way  
Oyeme, till the night becomes the day  
Oyeme, oyeme

Ay, there's no hurry, baby, take your time  
Ay, I'm not giving up until you're mine

Oyeme, touch you here  
I'll touch you there  
Oyeme, I want to touch you everywhere  
Oyeme, let's just take it all the way  
Oyeme, oyeme
