[Lil' Wayne]

Fly boy yeah right

Hey mamma they call me Wheezy

You should be with me I gotta pocket full of reasons

Baby I can bless you when you ain't even sneezing

I be at your rescue when you don't even need me

I can have you dreaming when you even sleeping

Mamma I can help you get off like the weekend

You said what you wanna do it to the new Enrique

I pop the disc in and put the song on replay

And then she backed it up like replay..

[Enrique]

When you need it

Girl I try to hide it

But I can't escape it oh baby

Please forgive me

When I think of you my thoughts are so x-rated oh baby

Baby I don't give a damn

I know that your mans no where in sight oh oh

And your eyes don't tell a lie

I know you wanna come with me tonight

And I'll see you right

But first you gotta

Push push back upon it (girl)

Make me believe you want it

Push push back upon it (girl)

Know I can't go on longing

Push push back upon it (girl)

Go ahead lay it on it (Don't stop)

Don't stop until the morning (girl)

Just keep pushing back on it

Do you want me (You know it)

Do you need me (You know it)

Will you please me (You know it)

Will you tease me (You know it)

Baby I,

I'm the kinda guy that don't get real excited (oh baby)  
When you have,  
When you have you're private party I hope that I'm  
invited (oh baby)

Baby I don't give a damn  
I know that your mans no where in sight whoa (what  
your man gotta do with me, tell me)  
And your eyes don't tell a lie  
I know you wanna come with me tonight  
And I'll see you right  
But first you gotta

Push push back upon it (girl)  
Make me believe you want it  
Push push back upon it (girl)  
Girl I can't go on longing  
Push push back upon it (girl)  
Go ahead lay it on it (Don't stop)  
Don't stop until the morning (girl)  
Just keep pushing back on it

[Lil' Wayne]  
Now after you back it up just stop  
Now drop it like its hot, and pop it like a glock  
And stop it like a watch, now move it like  
Clockwork  
Your body screaming and your booty is an outburst  
She wanna do it do it with no delay  
I told her I can run it run it just like relay  
'cause I'm cool, just like the breeze way  
Now push it like salt and PE-PE-PE-A

[Enrique]  
Push push back upon it (girl)  
Make me believe you want it  
Push push back upon it (girl)  
Girl I can't go on longing  
Push push back upon it (girl)  
Go ahead lay it on it (Don't stop)  
Don't stop until the morning (girl)  
Just keep pushing back on it

Push push back upon it (girl)  
Make me believe you want it  
Push push back upon it (girl)  
Girl I can't go on longing  
Push push back upon it (girl)

Just keep pushing back on it
