I need you
(oh yeah)
I need you
(oh yeah)
I need you
(oh yeah)
How can I just let you walk away
Just let you leave without a trace
When I stand here taking Every breath with you.
Standin' all alone on the bedroom floor.
Thinkin' about it more n more

chorus- where are u staying
are u in the world
i'll do anything
for you to be my girl.

yeah where has is taken me
drivin' me mad
how are you copin' without your man.

chorus (x3)
