Returning to Sand

Fate driven deep under the waves
An empire of gold
Returning to sand

Falling asleep to the rhythm of days
Watching the tide
Pull back again

Im not afraid to fall
Ive lived without water
Ive walked through the fire
Before

Im not afraid of change
Cause Ive dined with kings
And Ive watched it be taken away

Leaving this town with wings and a prayer
These helpless streets
Are too dead for dreaming

A past made of thorns
Is a cross I must bare
The edge of defeat
Miles from believing

Time will mend what weve broken

Im not afraid to fall
Ive lived without water
Ive walked through the fire
Before

Im not afraid of change
Cause Ive dined with kings
And Ive watched it be taken away

The light after the storm
Shows that hope was never gone
