Ring my bell, ring my bells  
Ring my bell, ring my bells  
Ring my bell, ring my bells  
Ring my bell, ring my bells

Sometimes you love it, sometimes you don't  
Sometimes you need it then you don't and you let go  
Sometimes we rush it, sometimes we fall  
It doesn't matter baby we can take it real slow

'Cause the way that we touch is something that we can't  
deny  
And the way that you move oh, you make me feel alive  
Now come on

Ring my bell, ring my bells  
Ring my bell, ring my bells

You try to hide it, I know you do  
When all you really want is me to come and get you  
You move in closer, I feel you breathe  
It's like the world just disappears when you're around  
me, oh

'Cause the way that we touch is something that we can't  
deny, oh yeah  
And the way that you move, oh you make me feel alive  
So come on

Ring my bell, ring my bells  
Ring my bell, ring my bells  
Ring my bell, ring my bells  
Ring my bell, ring my bells

I say you want, I say you need  
I can tell by your face you love the way it turns me on  
I say you want, I say you need  
I will do all the things that I would never do, you're  
wrong

'Cause the way that we love is something that we can't  
fight, oh no

I just can't get enough, oh you make me feel alive  
So come on

Ring my bell, ring my bells  
Ring my bell, ring my bells

I say you want, I say you need  
(Ring my bell, ring my bells)  
(I can tell by the way you're looking at me)  
(Ring my bell, ring my bells)  
(I turn you on)  
(Ring my bell, ring my bells)

I say you want, I say you need  
(Ring my bell, ring my bells)  
(If you got what it takes we don't have to wait)  
(Ring my bell, ring my bells)  
(Let's get it on)  
(Ring my bell, ring my bells)  
Get it on!

Ring my bell, ring my bells  
Ring my bell, ring my bells
