"Ring My Bells"

Visit "[Ring My Bells](#)" on MotoLyrics.com

Ring my bell, ring my bells..
Ring my bell, ring my bells..
Ring my bell, ring my bells..
Ring my bell, ring my bells..

Sometimes you love it
Sometimes you don't
Sometimes you need it then you don't and you let go..

Sometimes we rush it
Sometimes we fall
It doesn't matter baby we can take it real slow..

Coz the way that we touch is something that we can't
deny
And the way that you move oh you makes me feel alive
Come on

Ring my bell, ring my bells..
Ring my bell, ring my bells..
You try to hide it
I know you do
When all you really want is me to come and get you

You move in closer
I feel you breathe
It's like the world just disappears when you're around
me oh

Coz the way that we touch is something that we can't
deny oh yeah
And the way that you move oh you make me feel alive
so

Come on

Ring my bell, ring my bells..
Ring my bell, ring my bells..
Ring my bell, ring my bells..
Ring my bell, ring my bells..

I Say you want,I say you need

I can tell by your face, you love the way it turns me
on

I say you want, I say you need
I will do all the things but I would never do you wrong

Coz the way that we love is something that we can't
fight oh no..
I just get enough oh you make me feel alive so come
on

Ring my bell, ring my bells..
Ring my bell, ring my bells..
I Say you want, I say you need
(i can tell by the way you're looking at me, i turn you
on)

I Say you want, I say you need
(if you got what it takes we don't have to wait, lets
get it on)
get it on
Ring my bell, ring my bells...
ring my bells ring my bells...
