Don't tell me  
If you're leaving in the morning  
I don't want to have a warning  
If you're not here

Just take me  
Please take me for the last time  
Cause baby now is not the right time  
For us to be scared

And yes I know I wasn't perfect when we  
fought and cried all those nights  
But the passion that we have is too strong to give up  
the fight

### CHORUS

So I need you to say it  
If you really want to let me go  
Cause I don't believe you no I don't  
Won't you tell me the truth?  
Yes I need you to say it  
If you really want this love to end  
Look me in the eye and don't pretend  
That what we have is true

Don't tell me  
If there's someone else inside you  
Doing all the things that I do  
Cause I don't wanna hear

Just take me  
Wanna feel no more resistance  
No we don't have to go the distance  
Cause we're already there

And yes I know I wasn't perfect when I ran a  
light all those times  
But the passion that we have is too strong  
to give up the fight

### CHORUS

So I need you to say it

If you really want to let me go  
Cause I don't believe you no I don't  
Won't you tell me the truth?  
Yes I need you to say it  
If you really want this love to end  
Look me in the eye and don't pretend  
That what we have is tought

Spoken: All those times we fought  
And I made you cry  
I'm sorry.....

Repeat Chorus 3x's
