I know it's late and you're tired and we've been talking
for hours here
You don't have to tell me
I see that look in your eyes and I know soon we'll say A
goodbye, so, yeah
I feel it coming

And I hear you take a deep breath
And my hands are starting to sweat
I don't want you to
I don't want you to leave, yeah

Stay here tonight
Stay here tonight
?Cause when you're around me everything's right
Don't go, oh, don't leave me alone

Stay here tonight
Stay here tonight
I wanna hold you in my arms, show you what that's like
Don't go, I need you, I need you

You grab your coat and I'm dying
But I know that your still deciding, yeah
?Cause nobodys moving
Time stops and everything's quiet, I'm hanging on for
my life in you
You don't even see it

And then you coming closer
And baby it's not over
Till I hear you say

Till I hear you say, goodnight, oh, yeah

Stay here tonight
Stay here tonight
?Cause when your around me everything's right
Don't go, oh, don't leave me alone

Stay here tonight
Stay here tonight

I wanna hold you in my arms, show you what's that's
like
Don't go, I need you, I need you

There's something about you saves me
Something about you makes me feel like I'm a brother

Stay here tonight
Stay here tonight
?Cause when you around me everything's right
Don't go, don't leave me alone

Stay here tonight
Stay here tonight
?Cause when you around me everything's right
Don't go, oh, don't leave me alone

Stay here tonight
Stay here tonight
I wanna hold you in my arms, show you what that's like
Don't go, I need you, I need you

Stay with me tonight I need you
Stay with me tonight I need you
Stay
