I don't know what it is but she drives me crazy  
I don't know what she does but she drives me wild  
And only she can let me be the man I wanna be  
Or she can leave me helpless as a child

I don't know how it is but she has the power  
She can make me laugh when I wanna cry, o yeah  
She tells me that I'm in control but I know it's just a lie  
And I don't mind no

Will she love you tomorrow  
Like she loves you today  
She can keep your heart guessin'  
But she's yours if she stays  
And that's what it feels like to love a woman  
To love a woman

When your looking in her eyes you can see forever  
(Forever)  
Your captured by the beauty of her soul  
(Oh yeah)  
You know your never gonna find a woman like this  
again  
So don't let go  
Don't let go

Will she love you tomorrow  
Like she loves you today  
She can keep your heart guessin'  
But she's yours if she stays  
And that's what it feels like to love a woman  
To love a woman

Ohhhhh she can make your day  
Ohhhhh she can take it all away  
(Take it all away)  
Oohhh wether it's wrong or right  
You know it in the end  
You'd do it all again  
To love a woman  
Just to love a woman  
Uhuh

Ohhhhh you know  
Yes I know yes I know

Will she love you tomorrow  
Like she loves you today  
Keep your heart guessin'  
But she's yours if she stays  
(She's yours if she stays)  
That's what it feels like  
(I wanna say it)  
And that's what it feels like  
And that's what it feels like to love a woman  
To love a woman  
Just to love a woman
