Rock, rock, rock

Swing, baby, swing
You're playing with my can and it feels right
Jump, baby, jump
I'm one step behind and it's alright

You got one mile to go
And your tank is still full
And you don't stop
(No, you don't stop)

You say, hold on tight for the ride
Yeah, you're my destination
And you rock me all night long
Yeah, you push me all night long
Yeah, you love me all night long
You rock me all night long
Yeah, yeah, yeah

Come, baby, come
You got me blowing up and it feels right
Slide, baby, slide
You're not the girl to put up a stop sign

A bullet to my head
And they're driving me insane
And they don't stop

You say, hold on tight for the ride
Yeah, you're my destination
And you rock me all night long
Yeah, you push me all night long
Yeah, you love me all night long
You rock me all night long
Yeah, yeah, yeah

Live, baby, live there for today
Fly, baby, fly, let's get away
I don't care what they think, what they say
And you know, yeah, you know

That you rock me
Yeah, you rock me, oh yeah
De de de de, rock me, all night long
Yeah, you push me all night long
Yeah, you love me all night long
You rock me all night long
You rock me all night long
You rock me all night long
