Touch me

It's the way you touch,

Oh baby, uh-uh ooh yeah,

Oh feel it, oh feel it,

I was alone, playing with my fantasies

Until you came, liberated me,

And taught me so much about humanity ,

Yeah-e yeah-e-yeah,

I needed you to know

You're more than just a one night stand,

And girl with your permission,

Baby you can give me your hand,

I'm at your command

[CHORUS]

Cause it's the way you touch me baby,

Oh it's the way you touch me baby,

If you want we can talk, all night long,

But it's the way you touch me baby,

I was alone, grasping for my sanity,

You beauty came free of vanity,

Opened my mind, gave me your anatomy,

Yeah - e - yeah - e - yeah

In case you didn't know,

You're more than just a one night stand,

I need some supervision,

I'm losing all control of my hands,

They're at your command

[Chorus]

[Instrumental]

Come on baby, oh oh yeah

Oh baby

In case you didn't know you've got me eating from your hand,

My ship is gonna blow,

And baby it ain't going to land,

Until your command,

It's the way you touch

[Chorus]

It's the way you touch

It's the way you touch

[Chorus]

Oh baby, uh-uh ooh yeah,
