I go to bed,
and I think about you,
in my dreams.
I wake up,
and I'm waiting for you,
in my sheet.
And I try and I try,
to get you all alone.
Tonight is the night,
that I'm taking you home.

Oh Baby!
I think you're turnin me on
I think you're turnin me on
(Oh and oh and)
Oh Baby!
I think you're turning me on
I think you're turning me on

I walk the streets for chance to see you,
I'm in too deep
If every time that I get to meet you,
O! It makes me weak.
And I try and I try,
to get you all alone.
Tonight is the night,
that I'm taking you home.
O Baby!
I think you're turnin me on
I think you're turnin me on
(On and on and)
O Baby!
I think you're turning me on
I think you're turning me on
(On and on and)

Don't you wanna try ,
Don't you wanna try to believe me,
O! O! O Yeah!

I will never lie,
I only want to you to feel me.

(feel me)

Yeah! Yeah! Yeah! Yeah!

Yeah! Yeah! Yeah! Yeah!

O Baby!

You're driving me on

O Baby!

I think you're turnin me on
I think you're driving me on

(On and on and)

O Baby!

I think you're turnin me on
I think you're turnin me on

(On and on and)

O Baby!

I think you're turnin me on
I think you're turnin me on

(On and on and)

O Baby!

I think you're turnin me on
I think I think I think you're driving me on

O Baby!

I think you're turnin me on
I think you're turnin me on

O yeah! yeah! yeah!
