Escaping nights without you with shadows on the wall
My mind is running wild tryin hard not to fall
You told me that you love me but say IÂ'm just a friend
my heart is broken up into pieces

Cos i know iÂ'll never free my soul
itÂ's trapped between true love and being alone
When my eyes are closed the greatest story told
I woke and my dreams are shattered here on the floor

Why oh why tell me why not me
Why oh why we were meant to be
Baby i know i could be all you need
Why oh why oh why

I wanna love you
if you only knew how much i love you
So why not me

The day after tomorrow IÂ'll still be around
To catch you when you fall and ever let you down
you say that weÂ're forever our love will never end
IÂ've tried to come up but itÂ's drowning me to know
youÂ'll never feel my soul
ItÂ's trapped between true love and being alone
when my eyes are closed the greatest story told
i woke and my dreams are shattered here on the floor

Tell me baby why oh why tell me why not me
Why oh why we were meant to be
Baby i know i could be all you need
why oh why oh why

I wanna love you
if you only knew how much i love you
So why not me

You wonÂ't ever know
How far we can go
You wonÂ't ever know
How far we can go (go)
Why oh why tell me why not me

why oh why we were meant to be
Baby I know I could be all you need
Why oh why oh why

Why oh why tell me why not me
Why oh why we were meant to be
Baby I know I could be all you need
Why oh why oh why oh why

I wanna love you
If you only knew how much I love you
so why not me
(why not me, why not me)
