(You can run, you can hide
But you can't escape my love)

Here's how it goes, you and me,
up and down, but maybe this time
We'll get right, worth the fight
Cause love is something you can't shake
When it breaks
All it takes is some trying

If you feel like leaving
I'm not gonna make you stay
Soon you'll be finding
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

So if you go
You should know
It's hard to just forget the past so fast
It was good, it was bad but it was real
And that's all you have
in the end, our love mattered

If you feel like leaving
I'm not gonna make you stay
Soon you'll be finding

You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love

(You can run, you can hide
But you can't escape my love)
(You can run, you can hide
But you can't escape my love)

Here's how it goes
All it takes is some trying
You can run

If you feel like leaving
I'm not gonna make you stay
Soon you'll be finding
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love
(2x)

(You can run, you can run) (10x)
