Rock rock rock

Swing baby swing, you're playing with my can
And it feels right
Jump baby jump, I'm one step behind
And it's alright
You got one mile to go, and your tank is still full
And you don't stop
No, you don't stop

And you say, just hold on for the ride
And you're my destination
You'll rock me, all night long
Yaa, you push me, all night long
Yaa, you love me, all night long
You rock me all night long
Yeah, yeah, yeah

Come baby come, you got me blowing up
And it feels right
Slide baby slide, 'cause you're not the kind
To put up a 'Stop' sign
You put thoughts in my head and they're driving me
insane
And they don't stop

You may say, hold on tight, for the ride
Yaa, you're my destination
You'll rock me, all night long
Yaa, you push me, all night long
Yaa you love me, all night long
You rock me all night long
Yeah, yeah, yeah

Live baby live, live for today
Fly baby fly, let's get away
We don't care what they think, what they say
And you know, yeah you know

That you rock me
Yaa, you rock me, oh yeah
De-de-de-de rock me, all night long

Yaa, you push me, all night long
Yaa, you love me, all night long
You rock me all night long
You rock me all night long
You rock me all night long
