I've kissed the moon a million times  
Danced with angels in the sky  
I've seen snowfall in the summertime  
Felt the healing of the powers above

I've seen the world from the highest mountain  
Tasted love from the purest fountain  
I've seen lips that spark desire  
And felt the butterflies a hundred times

I've even seen miracles  
I've felt the pain disappear  
But still haven't seen anything  
That amazes me quite like you do

You bring me up when I'm feeling down  
You touch me deep, you touch me right  
You do the things I've never done  
You make me wicked, you make me wild  
'Cause baby, you're my number 1

I've sailed in a perfect dream  
I've seen the sun make love to the sea  
I've kissed the moon a million times  
Danced with angels in the sky

I've even seen miracles  
And I've seen the tears disappear  
But still haven't seen anything  
That amazes me quite like you do

You bring me up when I'm feeling down  
You touch me deep, you touch me right  
You do the things I've never done  
You make me wicked, you make me wild  
'Cause baby, you're my number 1

You bring me up when I'm feeling down  
You touch me deep, you touch me right  
You do the things I've never done  
You make me wicked, you make me wild

You bring me up when I'm feeling down  
You touch me deep, you touch me right  
You do the things I've never done  
You make me wicked, you make me wild  
'Cause baby, you're my number 1
