-VERSE 1-

Looking from a window above
It's like a story of love
Can you hear me

Came back only yesterday
I'm moving further away
Want you near me

-HOOK-

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

-VERSE 2-

Sometimes when I think of your name
When it's only a game
And I need you

Listen to the words that you say
It's getting harder to stay
When I see you

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

All I ever knew
All I ever knew

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you

-VERSE 3-

This is gona take a long time
And I wonder what's mine
Can't take no more

Wonder if you'll understand
It's just the touch of your hand
Behind a closed door

All I needed was the love you gave
All I needed for another day
And all I ever knew
Only you
