I was lost on my own  
And I couldn't bear  
The thought of my life

I was gone, caught in torturing memories  
And they burned like fire  
Water can never heal such pain

Can't you believe  
Nothing is real?  
Can't you see  
I cannot feel?

Take me away, bury me in the sand  
'Cause after all these years  
I am still the same, sad and bitter man

Take me away, bury me in the sand  
'Cause after all these years  
I am still the same, sad and bitter man

Crush my hopes, grow my hate  
There's no home for me  
Nothing to give, nothing to say  
So tell me it's a dream

Can't you believe  
Nothing is real?  
Can't you see  
I cannot feel?

Take me away, bury me in the sand  
'Cause after all these years  
I am still the same, sad and bitter man

Take me away, bury me in the sand  
'Cause after all these years  
I am still the same, sad and bitter man

Crush my hopes, grow my hate  
There's no home for me  
Nothing to give, nothing to say

So tell me it's a dream

Crush my hopes, grow my hate  
There's no home for me  
Nothing to give, nothing to say  
So tell me it's a dream

[Incomprehensible]  
[Incomprehensible]  
Tell me it's a dream  
Tell me it's a dream, oh
