I can look around with a smile on my face because
we've done so much.
Pushed ahead, made a change while others were
giving up.
You try to tell us that we're wrong but I know we're right.
Look at you standing still, us we've come so far.
These are things, things I'd like to say, that I'd like to
try.
I don't want to hurt you like you hurt me.
I can look around with a smile on my face because
we've done so much.
Pushed ahead, made a change while others were
giving up.
You try to tell us that we're wrong but I know we're right.
Look at you standing still, us we've come so far.
These are things, things I'd like to say, that I'd like to
try.
I don't want to hurt you like you hurt me.
