Thank you for the friendship, all those times you cared.
The times I felt the most alone, I knew you were there.
Thank you for the time we've spent, both the good and
the bad.

We've made a bond in steel, a bond i won't forget.
In times of trouble I'll be there to take your back.
If you ever need me, don't hesitate to ask.
I'll be there to catch you when you take a fall.

You'll never find yourself alone, your back against the
wall.
