Born into oblivion  
Without the fear  
-of existing all alone

Later comes the acquisition - forced upon  
The solitude  
Now loneliness  
The god now submerged in a game of guilt

Psychopathic shepherds deny the miracle  
-of our essence  
... And yet we have part in the blame

Allowing their ravings,  
Comforting their weakness, their sickness  
It is time to  
LIVE  
TRUST  
NO  
ONE

Recognize black  
Recognize white  
Recognize shadows  
I am with gods

... Black... White... Shadows... Gods

Recognize black  
Recognize white  
Recognize shadows  
I am with gods

Traitors want to keep you down  
Rise up from the ground

No-one steals what no-one owns  
Disown and distance

Strong is she who realizes  
Ethics built on sacrifice

No-one steals what no-one owns

One by one by one

Strong is she who realizes  
Ethics built on sacrifice

No need for companionship  
Back into the silence  
It is all it needs  
Desolation

Singular - Death - Birth  
Singular - Birth - Death

Alone in birth  
Alone in the darkness  
Alone in death  
Alone in the daylight

One with reality  
Shaped by the inner glow  
Determination - I  
All can be reached from within

Born into oblivion  
Without the fear  
-of existing all alone

Later comes the acquisition - forced upon  
The solitude  
Now loneliness  
The god now submerged in a game of guilt

Psychopathic shepherds deny the miracle  
-of our essence  
... And yet we have part in the blame

Allowing their ravings,  
Comforting their weakness, their sickness  
It is time to  
LIVE
