Lyrics: O.A.Myrholt

Music: T.E.Tunheim

I whirl like wilted petals in blissful reverie affected only
by the recession
your sinful(glittering) eyes, gentle with concern,
windburn my (quasi)famous expression
a thin strip of white appears at the sky and I cherish the
soul's retrieval
'cause even when you tempt my soul it's not enough to
make you evil

Even though we have never met you seem eerily
familiar
as if I have known you forever...oh, blissful dismay
So many similarities...

I bloom like poison, cling to the earth and maintain my
imperceptible glare
sometimes even the devil gets blinded by guilt but I
just waive my attempts to care
voyeuristic and whitehot you stare at the expression on
my face
my fluency becomes you in a vivacious smile of
unearthly grace

Even though we have never met you seem eerily
familiar

as if I have known you forever...oh, blissful dismay
So many similarities, bohemians in equal brilliance
soulmates rejoicing in the fall of a vivid summerday
so many similarities, so many hearts left dead in the
breeze
so many equal thoughts of glittering cold
so many patterns black of malicious gold

We could enter eden with hellfire love...
Imagesque addiction transformed into the next
intervention
worship the pleasures of celebrity, exit reality and
dream with me...

So many similarities, bohemians in equal brilliance
soulmates rejoicing in the fall of a vivid summerday
so many similarities, so many hearts left dead in the
breeze
so many equal thoughts of glittering cold
so many patterns black of malicious gold
