I'm biting the blade of your scissors  
As the champagne fizzes  
Keep it on ice  
There's plenty more biting to do yet

Words dribble from my mouth  
As I freeze your lungs  
So have little hope  
Of penetrating  
Your fucking noodle is tangled  
Your fucking noodle's been tango'd

I'm biting the blade of your scissors  
As the champagne fizzes  
Keep it on ice  
There's plenty more biting to do yet  
I freeze your lungs  
So have little hope  
Of penetrating  
You fucking nooby fandango  
Your fucking noodley tango  
Oooo

Biting the blade of your scissors [x3]

I'm biting the blade of your scissors  
As the champagne fizzes  
Keep it on ice  
There's plenty more biting (to do yet)  
Words dribble from my mouth  
As I freeze your lungs  
So have little hope  
Of penetrating  
Your fucking noodle is tangled
