Surrounding silence scatters  
As we hear the steps of the lonely one  
Entering for the last time his atelier of minds...

This haunting figure creates a variety of traits  
Those hidden features that otherwise never emerge...  
Combined to form a sketch of me,  
To concretize the essence of solemn hate

Follow the figure to these ruins - witness the loss

Within every scene of dark tunnels in mind;  
Every stroke so firm and admirable  
"But what inspires the picture of complete loss?"

What is the source of neverending grief?"

Follow the figure to these ruins - witness the loss

What it takes to raze the figure inside?  
Is it a consent to destroy with him?

Within every scene of dark tunnels in mind;  
Every stroke so firm and admirable  
"But what inspires the picture of complete loss?"  
What is the source of neverending grief?"

Follow the figure to these ruins - witness the loss
