Huddled\Struggled in this acid nation,
With apprehension,
You are expected, to go down in dread,

Huddled\Struggled in this acid nation,
With apprehension,
You are expected, to go down in dread,

This is a celebration of,
Spirit and our mind.
When your bodies resignation,
Is that you can't ignore

This is an acid nation.
We, will, persevere.
This is an acid nation.
We, will, persevere.

Feel the rays beat down!
Feel the rays beat down!

Next time you open your eyes,
Be thankful the world,
Never wears a disguise,
It's the sun to reveal

This is an acid nation.
We, will, persevere.
This is an acid nation,
We, will, persevere.

Feel the rays beat down!
Feel the rays beat down!

And anyway who cares?
THE SUN IS OUT.

SUN.
STARE, AT THE, SUN.
STARE, AT THE, SUN.

This is everything I ever wanted.

This is everything I ever wanted.
This is everything I ever wanted.

Let's finish with a beat
