A blank sheet of
A blank sheet of paper
Just begging to be filled
But tonight I cannot pour my heart out
Because you escaped with it
In your back pocket
Because you escaped with it
In your back pocket
Television remote controls
(cannot save me)
From destroying myself
Under these scented quilts
The absence of your lower case screams
Punching out your fragile please
Tonight I feel helpless
Tonight I feel scared
Tonight I feel helpless
Tonight I fell scared

Whoa!

Tonight yes my ears are in pain yeah

A blank sheet of
A blank sheet of paper
Just begging to be filled
But tonight I cannot pour my heart out
Because you escaped with it
In your back pocket
Because you escaped with it
In your back pocket
Television remote controls
(cannot save me)
From destroying myself
Under these scented quilts
The absence of your lower case screams
Punching out your fragile please
Tonight I feel helpless
Tonight I feel scared
Tonight I feel helpless
Tonight I fell scared

Whoa!

Tonight yes my ears are in pain yeah

Come now and leave with me

This place is almost empty.

Come now and leave with me

This place is almost empty.

Come now and leave with me

This place is almost empty.

Come now and leave with me

This place is almost empty.
