Lets go!!  
you  
you!!!!  
I only smoke weed when I need to  
And I need to get some rest oh wheres the sex  
I confess I burnt a hole in the mattress  
Yes, yes that was me  
I plead guilty  
And on the count of three  
I pull back the duvet  
Make my way to the refrigerator  
One dried potato inside  
No light - not even bread  
(Jammed)  
With the light above my head went  
(Bam)  
I cant sleep  
Somethings all over me  
Increasing Insomnia please release me  
And let me dream about making mad love on the heath  
(Tearing off tights with my teeth)  
But theres no relief  
Im wide-awake in my kitchen  
Its dark and Im lonely  
Oh if I could only get some sleep  
Creaking noises make my skin creep  
I need to get some sleep  
I cant get no sleep

( Are you ready?)  
(Are you ready?)
