(Hey Jonny Lets Go)

Rise, taste the air, lock and load, pull the trigger,
Climb, to new heights, and tell me, tell me what you
hear...

A whisper from the wind, and i cant help but listen,
It warns us of disaster, and i cant help but wonder,
Can anyone hear the same distress call?

So this is a quest to save the world,
And he'll always be here for another,
Another day another chance to rescue

(OK Jonny, lock and load)

This is all i need to feel alive,
(Remember now, aim small, missed mark)

The Crashing of white waves and i cant help but listen,
The Screaming of the Earth, and i cant help but...

So this is a quest to save the world,
And He'll always be here for another,
Another day, Another chance to rescue,

This is all i need to feel alive, (oh yeah)

(HEY JONNY)

This is all i need to feel alive

WAY TO SAVE THE WORLD
WAY TO SAVE THE WORLD
WAY TO SAVE THE WORLD
WAY.....TO SAVE.....THE WORLD

So this is a quest to save the world,
And He'll always be here for another,
Another day, Another chance to rescue

So this is a quest to save the world,
And He'll always be here for another,

Another day, Another chance to rescue

This is all i need to feel alive, (x9)
