(Ok guys lets go)

Lies. Taste the air! lock and load, pull the trigger
Can't, do it right. and tell me, tell me why, your here?

A whisper from the wind, and I can't help but listen.

He pulls us from disaster, and I can't help but wonder

Can anyone hear the sea, ?

(So this is the quest to save the world)
And He'll always be here for another.
Another day, another chance to rescue

(Ok Jonny lock and load)
This is all I need to feel alive
(Remember now aim small miss small

The crashing of white waves and I can't help but listen.
ohh

The screaming of the earth and I can't help but...

(So this is the quest to save the world)
And He'll always be here for another.
Another day, another chance to rescue

This is all I need to feel alive. ohh yeah
This is all I need to feel alive.

Hey Jonny
Way to save the world. [x4]

(So this is the quest to save the world)
And he'll always be here for another.
Another day another chance to rescue.
And he'll always be here for another.
Another day another chance to rescue.

This is all I need to feel alive. [x9]
