Where's your respect
(Where's your respect)
Why bite the hand that feeds you
It's not over yet
(not over yet)
Plenty more fingers for you to nibble

I'd like to see you get your teeth round this
I'm sure your jaw will be surely missed

Not even salt can make your hands taste good
I'm still crunching your lifeline

Not even salt can make your hands taste good
I'm still crunching your lifeline

You do this every fucking time
No sweat (no tears) no guilt

You do this every fucking time
No sweat (no tears) no guilt

Not even salt can make your hands taste good
I'm still crunching your lifeline

lifeline (x3)
Blood fills your palms

lifeline (x3)

Blood fills your palms

lifeline (x3)
Blood fills your palms

Where's your respect
(Where's your respect)
Why bite the hand that feeds you
It's not over yet
(not over yet)
Plenty more fingers for you to nibble

I'd like to see you get your teeth round this
I'm sure your jaw will be surely missed

Not even salt can make your hands taste good
I'm still crunching your lifeline

Not even salt can make your hands taste good
I'm still crunching your lifeline

You do this every fucking time
No sweat (no tears) no guilt

You do this every fucking time
No sweat (no tears) no guilt

Do this one more time and i'll bite your fucking fingers
off!
