Let this battle commence, one last time!
Let this battle commence, one last time!
Let this battle commence, one last time!
[And I hope for your sake, that you're on our side]
Let this battle commence, one last time!
[And I hope for your sake, that you're on our side]

Look what you've done to yourself
Yeah you've lost the will to do what's right again
Look what you've done to yourself
Hunger to discover that you're not here

Look what you've done to yourself
Yeah you've lost the will to do what's right again
Look what you've done to yourself
Yeah

Let this battle commence! And for what it's worth, it will
not solve anything!!
[And I hope for your sake, that you're on our side]
Let this battle commence! One last time! Woah!!!
[And I Hope for your sake, that you're on our side]

Look what you've done to yourself

Yeah you've lost the will to do what's right again
Look what you've done to yourself
Hunger to discover that you're not here

Look what you've done to yourself
Yeah you've lost the will to do what's right again
Look what you've done to yourself
Hunger to discover that you're not here

The time has come to think again...
To think again...

Look what you've done to yourself...
OK, TIME FOR PLAN B.

THIS MEANS WAR!
THIS MEANS WAR!

THIS MEANS WAR!
THIS MEANS WAR!

Everyone freezes and waits for the eart to move.
Everyone freezes and waits for the ground to shake.

LETS MAKE THE EARTH MOVE
LETS MAKE THE GROUND SHAKE
LETS MAKE THE EARTH MOVE
LETS MAKE THE GROUND SHAKE
LETS MAKE THE EARTH MOVE
LETS MAKE THE GROUND SHAKE
LETS MAKE THE EARTH MOVE
LETS MAKE THE GROUND SHAKE!
