Shit, shit

I've been hiding here for a thousand years
Waiting for your ghost
I've been hiding here for a thousand years
Waiting for your ghost

Your life's about to flash before your eyes
Your life's about to flash before your eyes

Stand your ground, this is ancient land
I was guided here by the spirits hand
We shall meet at Hells gate
This is fate, this is fate, this is fate, this is fate

Not all is lost, the spirits shriek
You will be hunted, we shall seek
Perseverance, turn the page

We're not hiding, we're not hiding
We're not hiding, we're not hiding
We're not hiding now, we're not hiding now

I'm in the zone
Alright

And still we will be here
Standing like statues
And still we will be here
Standing like statues
And still we will be here
Standing like statues
