And we'll grip each other tight  
In this desolate canteen  
That sells life at a price  
That i am not prepared to pay

So go ahead and shoot us  
It will only take on bullet  
Go ahead and shoot us

So go ahead and shoot us  
It will only take on bullet  
Go ahead and shoot us

And we'll grip each other tight  
In this desolate canteen  
That sells life at a price  
That i am not prepared to pay

So go ahead and shoot us  
It will only take on bullet  
Go ahead and shoot us

So go ahead and shoot us  
It will only take on bullet  
Go ahead and shoot us

Get your needle out and your black cotton  
And stitch us back together again  
Get your needle out and your black cotton  
And stitch us back together again  
(stitch us back together again [x4])

But that stitch  
It will only last one life  
([sniff sniff])  
O shit)

What about the others  
What about the others  
What about the others  
What about the others
