Old John on his deathbed cried  
I think I will wait 'til  
Tomorrow to die  
Sun is shining birds do sing  
This sir is no day to go  
Up and out the door

(Chorus)

I've had a life that's full  
Everyone's been good to me  
So fire up that fiddle boy  
And give me one last drink  
When the sun comes up  
I will leave without a fight  
But the world is mine tonight

Took young Molly by the hand  
Spun her 'round and back again  
Clicked his heels bowed his head  
Never a tear in his eye  
They carried on 'til five

(Chorus)

So raise a glass  
To the dear departed ones  
Won't you raise a glass  
To the dear departed ones

Room was full of all his friends  
Never a funeral this was the end  
Drank to all who lent their hand  
Everyone drank to John  
Raised a glass and said

I've had a life that's full  
Everyone's been good to me  
So fire up that fiddle, boy  
And give me one last drink  
When the sun comes up  
I will leave without a trace  
But the world was mine today
