The signs were burnt within my flesh. i've been taught  
the left and path, since my birth  
Through Satan's realm my soul has been regained in  
torture, and in a hateful power created by my  
father, i'm the hatred one.. I'm the killer! I Am the one  
who will enslave you all,  
I am satan and satan is your master, fear and disgust  
my pleasure.. I rule the world with  
perversity, my ecstasy!!!! While fuckin' the innocence  
deeply when the blood of a thousand pussies  
runnin' over my body, there's no mercy driftin' within  
my bones... I only believe in sin !!!

Rejection of the cross, i was that soul whom poisoned  
your holy life,  
When you'll feel my pleasure surrounding you...  
My curse will follow in the shadows, but surely for your  
torment  
Like a sword entering slowly in your heart, i will be  
there...!!

Like a long way through razor lands, cut from all over...  
for sure you shall succumb in my name.

[lead by nornagest]

I Am the opposer, i am the opponent...  
I am hypocrisy, i am cheating, hatred.  
i am deception, i am desolation, sodomy, perversity,  
lust, laziness and war.

I am the prince of this world, SATHANAS, thy angel of  
all extermination, i'm time and pain,  
which leads you to your enslavement... I only believe in  
sin!

This delectable feelings runs through my brain. i need  
more of it!

To tear apart your hearts makes me cumming...

To tear apart your daughters makes me bleeds...

Your sons dedicated to god, not for so long... soon  
they'll be within my flesh, as they're already

my slaves. In the realm of the purest fire reign. In the  
kingdom of light, I dwell !!!

Obey me! i'm your king  
Love me! i'm your father  
Fight me! i'm your slaughter
