(Lyrics by Sabathan)

Enter the infernal corridors of the unlight,
walking through the path haunted by ghouls and
wolves.
Rising from the dead and crushing their tombs,
your body starts to shake with fear,
you feel the demons clawing at your skin,
trying to pull you into their crypt.
Now, walk towards the table of hell,
and worship the call of NINNAGESH,
the mighty black priest,
as you're approaching closer to the altar,
raise your hands and do the sign of the horns.
Take your dirk to cut your throat,
blood spills in the chalice you bring
and you agonize with joy
in the middle of the great inflammed Pentagram.
Succumb for hell, succumb for the darkness, succumb
for the evil
and give your life to our lord Satan.
The undeads starts to drink your damned blood
under the morbid breath of the great organ pipes,
your soul is now condemned to live in the domination
of Seth
to deny your weak god and take the power of evil.
Evil Church

Fight, kill and torture without mercy
forever in honour to sin.
Raise high the swords of hate, run to fight the light.
Conqueror of the earthly grounds
(lead NEBIROS)
Oooohh tormentor of the beast,
you've broken your chain made of christain lies,
you gave your faith to Satan,
heard every sabbaths of the mighty priest,
sacrificed yourself upon the altar of the evil church
and finally became a faithful son of our master!
In your presence, the weak mortals stand in fear,
you're the black tormentor next to the throne of chaos.
Join us, we are the agitators
and invite the mothers to sacrifice their new born

children.
In the basin of the reverend of hell,
the innocent blood flows...
Welcome to the evil church!
