Chosen Son of the Ibex King
Enthroned, blackened inquisitor
I spread the plagues and endless sins
Raised our dominion upon a 1000 sheeps
Now! A time to crush!
Swear my dictaturee,
Be our lamb!!!

Ten years of darkness, eternal might
Hellgium's Messiah against the light
A baphostorm in Satan's league
Our glory lays within our ennemie's fears

HELLEGIUM MESSIAH

Sacrifice of a life for the glory of Blasphemies
For the Liberty of Identify

[Lead: Nornagest]

En son Nom!
In Zjn Naam!
In Sein Name!

[Solo: Nornagest]
